Reasons for Allowance

1. In response to amendment filed on 8 March 2005, the amendment to the claims is accepted.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Claims 1-40 are allowed, in view of amendment to the independent claims indicated on page 15, "to include the recitation of: "the translations by the NAT being performed in response to a request previously sent by the client to the NAT that defines for the unsupported protocol a location of the GPN within packets sent between the client and the NAT that indicates a bit position where the GPN begins within such packets and a length of the GPN"". As indicated in previous office action co-pending application 09/698,973 was allowed because the independent claims included this detail that is not present in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
